

The Art League of Baytown

Was organized in 1954 and incorporated as a Texas non-profit corporation in 1963. We are recognized as a 501.c.3 organization, our mission being: To promote art and the appreciation of it. We also furnish a gallery so that our members can: Highlight and sell their artwork; have a gathering place to exchange information and ideas; provide education for children and adults through art classes and a photo club. We encourage each other to provide and share art with our community, and eventually, our goal is to establish an art academy.
